

## Saint Paul Giving Circle

Saint Paul Giving Circle is a new way to give to your favorite Saint Paul SAC Fundraisers all in one place while spreading your donations into manageable monthly payments. In addition, a portion of your donation goes back to our amazing teachers through our P.A.S.S. program and teacher grants.

There are many levels to choose from and hopefully something for everyone. With your donation to Saint Paul Giving Circle, there are four buckets the funds go into:

- Saint Paul Giving Circle (SPGC)
- SAC Fundraising (Golf Outing, Oktoberfest, Spirit Run, & Gala)
- P.A.S.S. (Parent Assisted Salary Supplement)
- Teacher Grants

Your donations will be divided into these buckets according to the breakdown on the attached sheet.

The Teacher Grant money in years past have allowed teacher and staff the ability to purchase Chrome books, the Sensory Path which helps children with ADHD, the Sky Dome Planetarium experience, Mindplay Virtual Reading Coach, Ping Pong Tables for gym, a Mobil Ed Productions STEAM Lab and more.

P.A.S.S. is a brand-new program at SPSC this year! The program is designed as a way to decrease the pay gap that exists between private and public school teachers. It is a giving fund for parents to donate money into, that then will be distributed among the teachers. Money can also be donated into this account in lieu of Christmas gifts or teacher appreciation gifts. Supporting this fund is a great way to show appreciation to all the teachers for the amazing things they do for our children.

The funds in the SAC Fundraising bucket can go to the event(s) of your choice: Golf Outing, Oktoberfest, Spirit Run, & Gala. When your money goes to an event you will be a sponsor of that event at the level of your donation. We will connect with you soon for your choices regarding the event sponsorship level(s) you choose to support.

Saint Paul Giving Circle directly supports budgeted expenses for day-to-day operations of school.
